THE STORM OF THE SUMMER

OUR GOLF COURSE TOOK A HUGE HIT

Our poor golf course lost 46 trees during the storm on August, 24th. The Inside and Outside Nine got hit the hardest.

Our amazing Groundscrew and Bryan Toomey worked around the clock removing the trees and debris. Unbelievably, they had our course ready for play in 48 hours!

Our Golf Course wasn't the only department that was effected, we had Bowling Tournaments that we had to cancel, Banquets we couldn't host, and we lost ALL of our food in our coolers.

The one thing we do very well at Royal Scot is coming together in times of crisis. Our Management Team showed up daily, devised solutions for every what-if, cleaned out coolers, washed dishes in the parking lot (don't worry, we have since re-washed them), and made it a seamless transition to re-open when our power was restored.

WRESTLING AT ROYAL SCOT

We hosted our first Live Pro Wrestling Event on August 26th. We didn't have power, but the show still went on! IPW brought a generator to light the stage, and we had a great crowd given the circumstances! Our Bar and Event Director, Alexis, orchestrated a plan on how to sell products without power and it worked great!

Doors opened at 6pm!
We had a minor hiccup with the generator but everyone pitched in and got it running right in time for the first match!

The matches were intense! The crowd was screaming and cheering them on!

NEXT WRESTLING EVENT OCTOBER 28TH AT 7PM
